Customizable Boat: Sarasota

2025 Vision Marine Technologies V30

Electric Pontoon

Elevate your on-water experience with the all-electric V30 Pontoon, a spacious and luxurious vessel that combines performance, sustainability, and innovation. Powered by Vision Marine Technologies' E-Motion™ 180E electric powertrain delivering 180 HP, the V30 offers instant torque, smooth acceleration, and ultra-quiet operation with zero emissions.

The high-voltage lithium battery provides extended runtime and supports fast, convenient charging. Simply charge at your dock or on your trailer overnight using standard 120V–240V (30–50 AMP) shore power connections. Featuring a sleek digital smart display, intuitive controls, and seating for up to 15 passengers, the V30 is perfect for entertaining, cruising, or relaxing comfortably on the water.

Its almost noiseless ride and cutting-edge technology set a new standard in electric pontoons.

Engine 1
