Omschrijving

ΕN

Highfield Sport 330 aluminium RIB with Honda BF20 outboard and capacity of 5. The Highfield Sport range has been 9 years in the making. This range of high quality boats will offer a choice from 3 metres up to 8 metres and combines hull design expertise with an interior that you demand. Nothing has been sacrificed in the design of this range. Top quality materials are the hallmark of what we do and we have not compromised. Hull deadrise angles ranging from 20 degrees on the 3 metre going through to a huge 26 degrees on the 650 and up will give you assurance in the toughest conditions. The additions such as EVA teak throughout, integrated fuel tanks, superb diamond stitched upholstery and bathing platforms on our larger models will allow you to enjoy each day to the maximum. With the impermeable qualities of our aluminium hulls there's no need to worry about gelcoat chips, or putting the boat on a beach or trailer. The Highfield Sport 330 RIB is easy to tow, launch and recover due to their light weight and integrated davit lifting eyes. Your Sport will not delaminate or absorb water over time, retaining the same agile performance in 10 years time as the day you collected it. Low weight garage tender or runabout - design category C. NB - library photos may not reflect specification of boat.
