Available in Store: Fort Lauderdale - HIN: NVM1VC01L223

2023 Northstar Axis 4.2

The Northstar Axis 4.2 is a 13’9” inflatable tender with a maximum rating of 60 HP and 40 HP recommended. Manufactured with vacuum infusion technologies, the Axis tenders are lightweight and highly durable. The Delta Lift Hull Design and aft tabs provide the Axis 4.2 with a dry and quick-planing ride. It includes many standard features typically offered as options, setting it apart from the competition.

Standard features include an ergonomic console, an acrylic glove box with a USB port and main cutoff switch, a fuel system with an integrated fuel tank, water separator, and fuel gauge, an electrical switch panel, an automatic bilge pump, LED navigation lights, an all-around socket-type white light, a self-bailing deck, large storage areas, sturdy Hypalon tubes, telescoping cleats, and lifting points.

We’re proud to showcase Northstar Boats at our showrooms.
